Re: 30<sup>th</sup> Annual Monte Shelton Northwest Classic Motorcar Rally - Final Comments

We owe a most heart-felt thank you to our loyal Participants, Sponsors, Volunteers and Visitors for your support of this year's very successful 30<sup>th</sup> annual rally!

We wish again to extend our deepest gratitude to our Title Sponsor, Monte Shelton and his wife Sue, for their thirty years of support and participation - we never could have never achieved this without your assistance, encouragement and enthusiasm!

We must acknowledge the many years (and hours!) of volunteer service our organizing committee members have given this event. Co-Chairs Jim Gunter and Mark Carpenter, Admin/Treasurer Juli Gough, Registrars Nancy Gunter and Tami Iaboni, Volunteer Coordinator Tom Burnett, Scoring by the Iaboni family, Food & Beverage by Betty Anderson, and Sweep by David and Michelle Gunter.

Under the direction of the organizing committee members, we had over 50 other individuals volunteering to help with all aspects of coordinating and delivering our rally to our participants. This event is thoroughly dependent upon the unselfish volunteerism afforded by this large group - thank you!

We would like to cover a few housekeeping items:

- (1) We will be posting the Day 1, Day 2 and Combined rally scores on the website as soon as practicable.
- (2) We will be posting hotlinks to the various websites where you will find this year's rally photographs once they have been labeled and uploaded, probably within several days. These hotlinks will be placed on the Photos and Links webpage.
- (3) As we mentioned at Sunday's Awards Brunch, the 31<sup>st</sup> Annual Northwest Classic Motorcar Rally will be held over the weekend of August 1-4, 2019, returning to our previous schedule of First Weekend in August.
- (4) The format of the rally will, of course, remain unchanged in concept, with some minor tweaks to help with scheduling and traffic flow.
- (5) The 2019 NWCMR entrant application is now available on the Registration webpage. As applications are received, the Entrants' List will be updated with current driver and navigator information.

As in past years, we want to encourage early registration, by both offering a "apply now, pay later" opportunity, and by offering a discounted entry fee for those early registrations.

We look forward to hearing from you in the coming months, and to seeing you next year!
